2) Corrigendum No.1 dt.09.12.2011
3) Corrigendum No. 2 dt. 19.12.2011
4) Corrigendum No. 3 dt. 27.12.2011
5) Corrigendum No.4 dt. 04.01.2012

This is with reference to the Notice Inviting Tender, Corrigenda No.1, 2, 3 and 4 referred above. Bidders are requested to refer the following changes in the conditions stipulated in the above tender document.

1) Water testing of Floating Roof compartments:

The following point was discussed during the prebid meeting dt. 05.01.2012 in which CPCL mentioned requirement of water filling test in floating roof compartments.

Requirements of CPCL:

CPCL indicated that alternative compartments in the floating roof are to be tested with water filling in addition to diesel chalk test during floating the roof. Details of the level of water to be filled shall be informed by CPCL shortly.

CPCL's clarification:

The above testing requirement of the tank roof compartments is deleted.

2) Revision of Time Schedule:

During the Prebid meeting, bidders requested to revise the time schedule in view of the additional tests to be done in the tank roof compartments.

CPCL's reply:

As no additional water filling testing is required, the time schedule as per the tender document remains unchanged.
